Dear Sir:

Kindly accept the following letter as contract:

We agree to come to Jersey City and play the House of David for the benefit of the American Legion Post and the Jewish Community Center the ball game scheduled to be played on June 18th. The Eagles agree to hold open date of Friday, June 20th in order to play the game in case of rain, total charge for the two days three hundred and fifty dollars(\$350.00).

I will see that the publicity is forwarded to you. If there is any assistance I can render to help put the game over, please contact me.

Very truly yours,

P. S. We are opening our Negro Nation League Baseball season in Newark at Ruppert Stadium Sunday, May 11th. The Eagles are playing the Cuban Stars. I thought some of your Committee might like to know, as they might run over if they are not doing anything.
